Application/Control Number: 10/000,389

Art Unit: 1626

DETAILED ACTION

Claims 1-10, 12, and 14-22 are pending in this application.

Election/Restriction

Due to the numerous variables and their widely divergent meanings, a precise listing of inventive groups cannot be made. An illustration of different inventive concepts may be made by reference to the compounds in the Examples of the instant application, as for example the compounds of:

- Example 1,
- II. Example 10,
- III. Example 15,
- IV. Example 16,
- V. Example 17, etc.

Applicant is required to elect a single disclosed species (e.g. Example) from the genus of the instant claims.

With the election of a specific exemplified compound, a generic concept will be identified by the examiner as the inventive group for examination.

During a telephone conversation with Mrs. Anastasia Winslow on 9-3-02 a species election of Example 5 was made. Affirmation of this election must be made by applicant in replying to this Office action.

Application/Control Number: 10/000,389

Art Unit: 1626

The following generic concept as depicted in claim 1 is identified for examination along with the elected embodiment: L and K are oxygen; M is nitrogen; Y is CH; Z is as defined; T is CH; R1 is Q-aryl or Q-heteroaryl wherein Q is O, S, or N; R3, R4a, R4b, R8, R9, R8a, R10, and q are as defined; r is 1; and s is 1. The remaining subject matter of claims 1-10, 12, and 14-22 stands withdrawn from further consideration under 37 CFR 1.142(b) as constituting other patentably distinct inventions.

The non-elected subject matter of claims 1-10, 12, and 14-22 is withdrawn from further consideration by the examiner, 37 CFR 1.142(b), as being drawn to a non-elected invention.

The withdrawn subject matter of claims 1-10, 12, and 14-22 is properly restricted as said subject matter differs in structure and element from the elected subject matter so as to be patentably distinct therefrom, i.e. a reference which anticipated the elected subject matter would not even render obvious the withdrawn subject matter and fields of search are not co-extensive.

Claims 1-10, 12, and 14-22 are objected to as containing non-elected subject matter. This objection may be overcome by limiting the claims to the elected subject matter identified supra.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sonya Wright, whose telephone number is (703) 308-4539. The examiner can normally be reached on Monday-Friday from 8:00 AM - 5:30 PM.

Application/Control Number: 10/000,389

Art Unit: 1626

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mr. Joseph K. McKane, can be reached at (703) 308-4537. The Unofficial fax phone number for this Group is (703) 308-7922. The Official fax phone numbers for this Group are (703) 308-4556 or 305-3592.

When filing a FAX in Technology Center 1600, please indicate in the Header (upper right) "Official" for papers that are to be entered into the file, and "Unofficial" for draft documents and other communications with the PTO that are not for entry into the file of the application. This will expedite processing of your papers.

Communications via Internet e-mail regarding this application, other than those under 35 U.S.C. 132 or which otherwise require a signature, may be used by the applicant and should be addressed to [joseph.mckane@uspto.gov]. All Internet e-mail communications will be made of record in the application file. PTO employees will not communicate with applicant via Internet e-mail where sensitive data will be exchanged or where there exists a possibility that sensitive data could be identified unless there is of record an express waiver of the confidentiality requirements under 35 U.S.C. 122 by the applicant. See the Interim Internet Usage Policy published by the Patent and Trademark Office Official Gazette on February 25, 1997 at 1195 OG 89.

Any inquiry of a general nature or relating to the status of this application should be directed to the Group receptionist, whose telephone number is (703) 308-1235.
